Mr. Anthony Howard
London Observer
Washington Post
Washington, D.C.

Dear Mr. Howard,

Many thanks for your help.

The Preface and the Postcript are added, as are a couple of small sections through the text.

Steve tells me you are expecting Mr. Astor. Here is a copy for him.

The appendix and some of the appendix material at the ends of the appropriate chapters are new to you.

There is no chance such an edition can be profitable, but I do hope it attracts regular publication.

Sincerely,

Harold Weisberg
